

# Bricos Centro fabric range

Quality fabric made in Australia  
by a trusted brand, Bricos

## CENTRO

Centro is a true fire retardant blind fabric which not only meets the Building code of Australia class 2-9A building code but one which is keenly priced for the highly competitive commercial blind fabric market. Centro blind fabric has a subtle canvas weave in 10 blackout colours. All have a soft micro-flocked blackout backing and there are four additional Project colours that coordinate well with darker tone sunscreens. Centro Project colours are identifiable by their grey backing for external uniformity. Centro is a versatile 280cm wide, has excellent lay flat qualities is stable and easy to handle and fabricate.
