

Bricos EcoBalance fabric range

Quality fabric made in Australia
by a trusted brand, Bricos

ECOBALANCE

One of two Designer Collection fabrics that may be used for both residential and commercial application, EcoBalance, a PVC Free Sunscreen fabric, is the epitome of versatility and style. The weave presents a softly textured surface with a silky gossamer sheen. Creases disappear without a trace. Oeko-Tex, Ecospecifier and Green Guard certification and outstanding Fire Retardant qualities, combine to make this fabric an ideal choice across the board for architects and building specifiers, interior designers and decorators.
