

# Mermet Deco-Screen 8555 fabric range

Quality fabric made in Australia  
by a trusted brand, Mermet

## ABOUT THIS PRODUCT

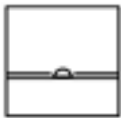

Deco-Screen is a Classic Screen, a lovely natural looking fabric in a basket weave, made from PVC coated fibreglass. Woven with different coloured yarns Deco-Screen gives a decorative look, as well as a perfect view to the outside.

Deco-Screen blocks up to 96% of UV rays, making it ideal for the harsher Australian climate conditions, great energy savings, but with a weave to create a look that gives great depth and texture too.
