

## LUXAFLEX® COUNTRY WOODS®

If you appreciate the look and feel of natural timber, then LUXAFLEX® COUNTRY WOODS® Venetian Blinds are the perfect choice. Available in a range of colours and lacquered timber finishes, Country Woods Venetian Blinds can be colour coordinated to suit your décor.

Country Woods Timber Venetians blend simple functionality with classic style to suit a variety of home environments.

Made to measure to perfectly fit your windows, these distinctive blinds are kiln dried and processed to maximize stability and are available in cedar and basswood options.

Incorporating timber window furnishings in the home can provide a distinctive heritage look whilst keeping a subtle design flow, which is one of the reasons why timber venetian blinds are an investment you will be proud to own.

- Available in a choice of lacquered, stained, oiled or lightweight hardwood timber
- Enhanced light control
- Enhanced durability due to quality finish applied
- Resistant to the effects of UV rays and scratching
- High-grade timber is used to minimize warping and splitting
- Luxaflex range of models, colours and operation will be sure to provide the right style and function for your home

### Traditional

The traditional Country Woods Venetians provide the look of natural timber with simple to use cord operation.

### Fabric Tapes

Luxaflex Traditional Fabric Tapes offer traditional styling to complement traditional homes. Wide tapes block light coming through the cord holes, adding texture and are colour coordinated to match the timber.

### Motorised

For the ultimate in convenience, both the tilting and the raising action of your Country Woods Venetian can be controlled by the flick of a switch or by remote control. Several options of remotes available. Running on 240v mains power (electrician required for install).

# Quality is Guaranteed

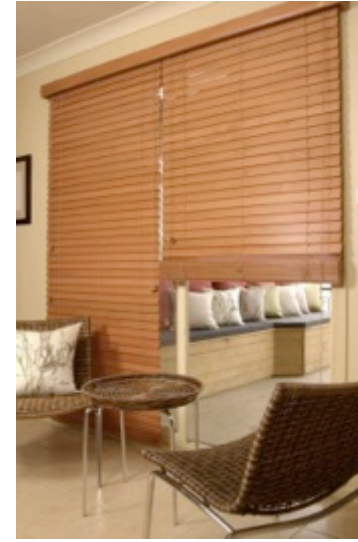

We guarantee you will be so impressed by the quality of our Timber Venetians, as we only source the very best timber for our blinds, only supplying the best products available.

Our fitters are the best in the business and our sales team know their stuff.

Perth Eagle Blinds has over 30 years of experience providing only the best premium products & we always ensure you will receive the best quality available.

## Perth Design- American Hardwood Venetians

American Hardwood Timber Venetians are a premium product, with child safe controls, 85mm Pelmet with commercial grade head boxes. They are custom made in Perth and the timber will only fade 1% in 3 years and will not warp. There is around 10 different timber stain colors and painted colours including Eggshell, white and chestnut. The slats are 50mm and controls are child safe cords only.

**“Luxaflex are the only quality producer of remote control Timber blinds in Australia and are trusted as a quality brand world wide!”**

Quoted by Paul Assinder- Sales Director/Designer

## Canadian Cedar Timber Venetians

Canadian Cedar or Western Red Cedar is still a popular option for some homes. With options of either light-medium tones or medium- dark tones this is a totally natural product. We lacquer the timber to protect them against the sun of course.

We use top of the range Parts for every part of the blind and they are custom made here in Perth. Each blind comes with a 70mm pelmet, child safe controls and commercial grade head box. The blades are 46mm on our most popular cedar venetians. Our Canadian Cedar only comes with a liquored finish now and we no longer offer oiled cedar, as maintenance is too high for clients.

But we also have our Exclusive 90mm blade Canadian Cedar venetians that come in both natural timber tones and in white. 90mm Cedar is exclusive to the Perth Design Range. White is painted Cedar and is Vivid white colour. This product can be seen in our showroom, also 100% Aussie made.
